47 applications were received in this funding round, with the following 13 projects approved for funding totalling \$2,127,378.58.

Applicant	Project	Geographical area served by project	Funding approved (\$ EX GST)
City of Greater Geraldton	The Geraldton Intensive Youth Support Program aims to reduce offending and enhance community safety in Geraldton through an intensive youth support program incorporating social and emotional wellbeing, life skills, safe communities, adequate resources and education engagement by addressing at-risk behaviours of young people aged 10 to 17 years.	City of Greater Geraldton	\$163,895.00
Association for Services to Torture & Trauma Survivors (ASeTTS)	SAFE: Safety and Family Education aims to prevent, reduce and address the incidence of family and domestic violence in at-risk culturally and linguistically diverse refugee communities. This collaborative project between ASeTTS, the target communities and relevant service providers will comprise a range of prevention and protection strategies specifically designed	Perth metropolitan area	\$199,009.58

Applicant	Project	Geographical area served by project	Funding approved (\$ EX GST)
	as a sustainable, community-based resource to address family and domestic violence.		
Whitelion Youth Agency	The <i>Deadly Diversion: Youth Support & Development Program</i> aims to reduce re-offending and substance misuse by young people with existing or prior offending histories through an intensive support program. This project will complement a newly implemented initiative funded by the Western Australia Police Force which provides case management support for high at-risk youth offenders and include support to siblings, family and close friends of the young person.	Cities of Stirling and Wanneroo	\$199,246.00
Murdoch University	<i>The Implementation of a Family-based Intervention for Youth Substance Abuse in Western Australia</i> project involves the first-time implementation in Western Australia of the BEST (Behaviour Exchange and System Therapy) program, a novel evidence-based intervention for adolescents presenting with substance abuse. The program will target at-risk young people 12 – 24 years of age and aims to engage 100 families. Additionally, approximately 40 clinical staff from existing local mental health / drug and alcohol services will be trained to become accredited BEST facilitators, thus supporting the ongoing delivery of the program.	Cities of Cockburn; Rockingham; Armadale and the Town of Kwinana	\$200,000.00

Applicant	Project	Geographical area served by project	Funding approved (\$ EX GST)
Stephen Michael Foundation	The <i>Rising Leaders</i> project will utilise sports based programs to engage at-risk youth that reside in Meekatharra, Narrogin, Kojonup and Carnarvon with the aim of reducing criminal incidents caused by anti-social behaviour, truancy, drug and alcohol abuse. This project will be implemented in collaboration with a range of stakeholders, service providers and community members.	Shires of Meekatharra; Narrogin; Kojonup and Carnarvon	\$200,000.00
Save the Children	The <i>Gosnells Youth Intervention Partnership</i> aims to reduce the high youth crime in the City of Gosnells by establishing an evidence-informed targeted early intervention model that harnesses and coordinates existing services to support young people with complex needs. The project will engage 7 – 10 young people with complex needs who are at-risk of entering the juvenile justice system and their families.	City of Gosnells	\$190,794.00
Wunan Foundation	The <i>Halls Creek Youth Partnership</i> will establish and pilot an early intervention and preventative initiative aimed at achieving positive outcomes for youth aged 10 – 18 years in Halls Creek. The project will intensively engage multiple stakeholders to leverage collective resources available to support young people.	Shire of Halls Creek	\$200,000.00

<p>Tenancy Western Australia Incorporated in partnership with Women's Council for Domestic & Family Violence Services WA</p>	<p>Education for new provisions under the Residential Tenancies Amendment (Family Violence) Bill will provide critical legal services and legal education to support the effective introduction of the domestic violence reforms in the <i>Residential Tenancies Act 1987</i>. The partnering organisations will together develop and deliver a unique continuing professional development accredited training package that will be targeted to key stakeholders affected directly and indirectly by the Residential Tenancies Legislation Amendment (Family Violence) Bill 2018.</p>	<p>Statewide</p>	<p>\$75,000.00</p>
<p>Swan Districts Football Club Incorporated (V Swans)</p>	<p>The Swans Youth Engagement Program will engage youth, with a particular focus on Aboriginal youth, aged 10 – 16 years in the Swan Districts Football Club catchment area in a structured holistic program involving football, health and wellbeing and education with the aim of reducing anti-social, criminal and risk-taking behaviours. The program will include the involvement of a range of Commonwealth, State and Local Government Departments, schools, non-government agencies and local businesses who provide services in the Midland and Swan districts.</p>	<p>Town of Bassendean, City of Swan, Shires of Mundaring; Kalamunda and Chittering</p>	<p>\$200,000.00</p>

Applicant	Project	Geographical area served by project	Funding approved (\$ EX GST)
Jacaranda Community Centre Incorporated	<p><i>A New Chapter – Domestic and Family Violence Financial Stability</i> is an outreach program that will provide financial advice and counselling, including Finance Skills workshops, to women in crisis and transitional accommodation within the safety of the refuge. The program which was trialled at Zonta House, will be made available at a number of other women’s refuges in the metropolitan area.</p>	Perth metropolitan area	\$100,000.00
Roots TV	<p><i>Community Media Studio – Roots TV Speak Up</i> aims to divert young people away from criminal and anti-social activities by providing them with targeted support and the necessary skills to return to education or training or seek and obtain employment. At-risk young people from Aboriginal and culturally and linguistically diverse backgrounds (CaLD) will be engaged through digital film-making and video productions and receive structured hands-on training and experience in using multimedia hardware and software to produce short films on topics such as cyberbullying, drug abuse and social cohesion.</p>	Town of Victoria Park and City of Stirling	\$76,800.00

Applicant	Project	Geographical area served by project	Funding approved (\$ EX GST)
Law Society of Western Australia	The Lore / Law project aims to build the capacity of Aboriginal youth and empower them to be inclusive, listen and act to develop a collective solution to issues that they have identified as their local Lore / Law issues of significance. The project which will be led by an Aboriginal Youth Leadership Team will use filmmaking to engage with Elders, Aboriginal youth and community stakeholder groups in the Kalgoorlie-Boulder and Coolgardie region. Three short films will be produced with the aim of advocating, influencing and garnering support to address contributing factors leading to the over-representation of Aboriginal people in the criminal justice system.	City of Kalgoorlie-Boulder and the Shire of Coolgardie	\$200,000.00
WA Council on Addictions Incorporated T/A Cyrenian House	The Peer Connection Project will pilot a dedicated 'one-on-one' peer support model based at non-residential services to provide peer support worker interactions for consumers to maintain engagement throughout the various stages of treatment within both non-residential and residential pathways. The project will support AOD consumers with sustainable transition between programs and external supports to minimise disengagement and potential relapse.	Perth metropolitan area (regional services by telephone)	\$122,634.00
